

Lending you a helping paw.

Puppy Paws™ – fine jewelry for pet people - has a fundraising program simply called our Contribution Program.

For every online sale made by a member of your group you receive a check for 25% (*not including shipping costs.*) All your friends, members & supporters need to do is mention the name of your group by phone or in the message section on our website order form. Then we send you a check.

- by donating gift certificates & product for your fundraising efforts
- by offering our products to you at wholesale prices
- by offering opportunities for special on-site trunk shows
- by adding your name & weblink to our website as a Contribution Group member
- by offering creative jewelry design of your own logo products
